BY 31st MAY 2007 will receive a:

5% DISCOUNT* (on labour charge only)

To qualify complete & Return enclosed Booking Form ASAP

(*off labour only)

Much as we would like to we can not service all customers in July! It is also good store hygiene practice to have as long a break as possible between cleandown and new crop. Particularly following the difficult storage conditions of this Autumn with no real cold weather to cool the grain

Bug Busters!

- ◆ 4-5 man teams with supervisor
- ◆ Fully trained for access, site safety and working heights
- ◆ Equipped with high pressure air blast lances; heavy duty industrial vacuum cleaners
- ◆ High Lift access platforms and towers

Quick, effective safe and thorough cleaning.
